

★ **How many total residents?**

- We have 6 residents per year for a total of 18 residents

★ **What are the intern-year rotations?**

- 13 4-week blocks
 - (3 wks) Intern Orientation
 - (8 wks) Family Medicine inpatient service
 - (2 wks) Family Medicine inpatient service - Night Float
 - (2 wks) Newborn Nursery
 - (2 wks) Outpatient Pediatrics
 - (4 wks) Surgery
 - (6 wks) Emergency Medicine
 - (8 wks) Inpatient Pediatrics
 - (4 wks) Cardiology
 - (4 wks) Obstetrics
 - (4 wks) Gynecology
 - (4 wks) ICU

★ **Which other residencies do you work with?**

- **ICU:** NorthShore Internal Medicine residents, Emergency Medicine residents
- **PEDIATRICS:** University of Chicago Pediatrics residents
- **EMERGENCY MEDICINE:** University of Chicago and Cook County residents
- **OBSTETRICS:** University of Chicago OB/GYN residents

★ **Tell me about your faculty:**

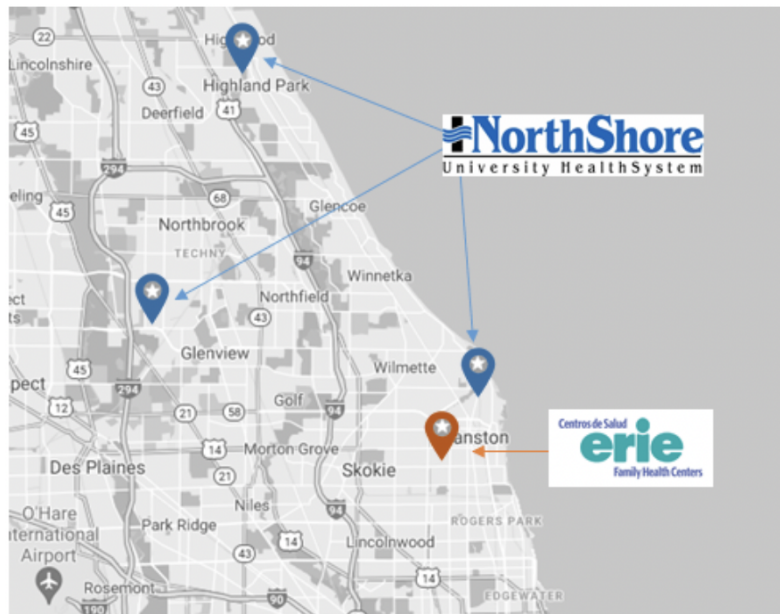

- A nearly one-to-two faculty-to-resident ratio with 7 core faculty and 18 residents
- Our faculty are nationally and internationally known for their work in the realms of Advocacy, Community Medicine, Quality Improvement, Integrative Medicine, Sports Medicine, Geriatrics, Narrative Therapy, and Faculty Development - All of our faculty have an area of focus

★ **What tracks/additional educational opportunities are available?**

- The following tracks:
 - Sports Medicine
 - Urgent Care
 - Integrative Medicine
 - Faculty Development
 - Women's Health
 - Geriatrics/Palliative Care
 - Obesity Medicine
 - Urban Underserved
 - Global Health
 - Design your own track!
- Educational opportunities:
 - LUCENT: Leadership for Urban Primary Care Education and Transformation

★ **Where do you practice?**

- We are primarily based out of Evanston Hospital - home to our inpatient family medicine service, obstetrics, and inpatient pediatrics rotations. Our continuity clinic is located at Erie Evanston/Skokie which is about a 10 minute drive from Evanston Hospital. We may additionally spend time at Glenbrook, Skokie, Highland Park, and University of Chicago hospitals for subspecialty rotations

★ Where do residents live?

- All over – many choose to live in Evanston, some live in the city (Rogers Park, Edgewater, Wrigleyville), and others live in the surrounding suburbs (Mount Prospect, Niles, Glenview, Skokie, and Des Plaines)

★ What research or publication opportunities are available?

- All residents are required to participate in 3 QI projects with their clinic teams, one annually
- All residents submit a Help Desk Answer for the Family Practice Inquiries Network
- All residents present their research projects at Scholarship Day
- There are many other research opportunities available to either begin new projects, join a faculty project, or write up a case report as opportunities present themselves

★ What teaching opportunities are present?

- Lectures during Wednesday afternoon didactics - this is protected time
- Scholarship day participation and projects as above
- Running our own Family Medicine inpatient service as a senior resident
- Medical students on our inpatient service: Sub-Internship rotators from many medical schools
- Medical student teaching during off-service rotations
