

POSITION DESCRIPTION

POSITION TITLE:	Family Practice Physician
DEPARTMENT:	Family Practice
REPORTS TO:	Chief Medical Officer
FLSA STATUS:	Exempt

POSITION SUMMARY

Under direction of the Chief Medical Officer, provides professional medical services in the community health center.

ESSENTIAL DUTIES AND RESPONSIBILITIES

- Performs physical examinations of new and existing patients and determines x-ray examinations and clinical laboratory tests required
- Interprets examination findings and test results, and implements treatment plans
- Prepares and reviews case histories and obtains data through interviews
- Provides continuing, comprehensive health maintenance and medical care to the entire family unit, to include preventive medicine, behavioral sciences and community health
- Directs outpatient and inpatient care and services
- Determines need for consultation and assists in medical care treatment provided at the direction of other specialists
- Instructs other health care providers and non-medical personnel in a variety of health related topics, including first-aid measures, basic and advances cardiac life support, and health care maintenance

- Participates in the instruction of medical students and residents who participate in a clinical rotation at FCHC
- Provides care consistent with the quality standards of the organization, participates in peer review activities, and works with administration to reduce risk and maintain patient safety.
- Performs other duties as assigned.
- Conducts daily team huddles
- Works closely with Care Team to ensure preventive, chronic and acute care needs are being met.

EDUCATION, TRAINING AND EXPERIENCE

- Graduation from a college or university accredited by the American Medical Association with a Doctor of Medicine or accredited by the American Osteopathic Association with a Doctor of Osteopathy degree. If medical education occurred at a foreign medical school, the applicant must possess a current Educational Council Foreign Medical Graduate (ECFMG) Certificate. Successful completion of an approved program of residency training in family practice.

LICENSES OR CERTIFICATIONS REQUIRED

- License to practice medicine in the State of Illinois plus current DEA registration

WORKING CONDITIONS AND PHYSICAL DEMANDS

PHYSICAL DEMANDS: The physical demands here are representative of those that must be met by an employee to successfully perform the essential functions of this position. While performing the required duties, the employee is frequently required to stand, sit, walk, read and be capable of lifting a minimum of ten pounds. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.
